

## **Declaration of Conformity**

### **REACH, RoHS and Ingress Protection**

---

#### **REACH Compliance**

Weld Revolution certifies that our SpinArc® welding torches are compliant with the European Union Regulations (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) and do not contain substances above 0.1% weight of a Substance of Very High Concern (SVHC) listed in Annex XIV.

Under the structure of the REACH Regulation, Weld Revolution is a manufacturer and supplier of “articles” to our EU customers. We do not manufacture or supply “substances” or “preparations” and our articles do not involve the “intentional release of substances”. Accordingly, we foresee no registration or pre-registration requirement for the products we supply.

#### **RoHS Compliance**

Weld Revolution certifies that our products listed below are compliant with the European Union Directive 2011/65/EU for the Restriction of the use of certain Hazardous Substances in Electrical and Electronic Equipment (RoHS).

No Lead (Pb), Cadmium (Cd), Mercury (Hg), Hexavalent Chromium (Cr+6 ), PBB or PBDE is intentionally added to these products. Any trace impurities of these substances contained in the parts are below the RoHS specified threshold levels:

- Pb, Cr+6 , Hg, PBB's, PBDE's <1000ppm
- Cd < 100ppm

## Ingress Protection (IP Rating)

Weld Revolution certifies that our products listed below are compliant to an IP rating of 51.

<b>IP</b>	<b>5</b>	<b>1</b>
Ingress Protection	First Digit: Solids Protection	Second Digit: Liquids Protection

First Digit (intrusion protection): 5 - Dust Protected - Ingress of dust is not entirely prevented, but it must not enter in sufficient quantity to interfere with the satisfactory operation of the equipment; complete protection against contact.

Second Digit (moisture protection): 1 - Dripping Water - Dripping water (vertically falling drops) shall have no harmful effect.
